# WHAT IS Y.E.A.H.?

A eight-week program for students grades 5-12 to explore the arts through weekly workshop classes taught by local artists. Students selected for the program will learn:

## Performance Art 101 *Singing, Dancing, Acting*

## Instrumental Art 101 *Keyboard, Guitar, Percussion*

With the rotating schedule, students will learn the fundamentals for each art form and build on their knowledge in the workshop classes. Then, students will work 1-on-1 with a teacher to prepare for the performance at the end of the program, which can be either singing a song, playing a song on an instrument, or playing in the pit with our teachers!
